Experience

PROFESSIONAL SNOWBOARDER, QUIKSILVER & NITRO SNOWBOARDS – 2016 TO PRESENT

Team Rider for Quiksilver and Nitro Snowboards, and content creator.

GRAPHIC DESIGN INTERNSHIP, NITRO SNOWBOARDS – MAY 2019 - NOV 2019

Assisted in designing the graphics for the full snowboard line and catalog for Nitro Snowboards winter 2020/2021 line. Learned a great deal of skills in design, specializing in Adobe programs, Illustrator, Premiere Pro, and Photoshop.

ASSISTANT HYDROGEOLOGIST, LOUGHLIN WATER ASSOCIATES – 2017-2018

Provided help collecting field samples, UPDES sampling, drafted DWSP plans, drafting geologic cross sections, data analysis, setting up flumes and various flow meters, creating figures in ArcGIS and AutoCad, assisted with groundwater well pumping tests, and other miscellaneous work.

SALES ASSOCIATE, MILOSPORT SLC – 2012-2017

Provide customers with product information, explain product features, tuned and fixed broken equipment, and demonstrated the working of a product when required.

Education

University of Utah, GPA: 3.587 – Bachelors Degree in Environmental Geoscience, 2017

Skills

I am an outdoor enthusiast and my hobbies include snowboarding, rock climbing, skateboarding, hiking, yoga, camping, and surfing. Having worked in retail, and other human relations fields I have developed great people skills and enjoy meeting new faces. I have a vast skill set that transcends boundaries, whether that be science, customer service, art, wilderness first aid, professional athlete, and visual design.
